**PETITIONING THE COURT**

The undersigned probation officer recommends that a Warrant be issued for service upon Dennis Eastman and that a hearing be held by the Court to determine whether the offender has violated the conditions of supervision as set forth in this report and to determine whether the offender's supervision should be revoked or continued, modified, and/or extended based on the alleged violations. A Warrant is requested as Dennis Eastman poses a flight risk, will likely not appear on a summons and his current whereabouts are unknown. Mr. Eastman was terminated from his employment on March 23, 2011. This officer has tried to reach the offender through his wife, his mother and his employer/past employer. The offender has not responded to this officer's texts and his phone is "not taking any calls." All attempts to contact Mr. Eastman has been unsuccessful. The adjustment report and violation work sheets do not accompany this report but will be submitted to the Court no later than April 8, 2011.
